## KNOW YOUTH DEVELOPMENT FOUNDATION

Youth Development Foundation (YDF) is a not-for-profit and non-governmental youth-led organization that has been working on interfaith harmony, social inclusion, local government, preventing and countering violent extremism (CVE) since 2010. YDF brings together youth from diverse cultural, religious and geographical backgrounds to prevent and counter growing trends of extremism through innovative ideas that lead to demonstrable solutions. YDF has been able to bring positive cultural changes in three Pakistani provinces by directly engaging more than 12,000 young people in the last 7 years. Due to its contribution for positive social change in Pakistan, YDF had the opportunity to present youth contributions in conflict mitigation at UN Minority Forum 2013, Geneva, UNAOC Global Forum 2016, Baku, and NEXUS 2016, New York. YDF has had the privilege to work with USAID, European Union (EU), UKAID, USIP, UN agencies, World Faith, and the Swiss Mission Office and Government of Punjab and Sindh.

YDF works with multi-stakeholders including District, Provincial and Federal governments on promotion of youth-oriented policies and strategies that celebrate cultural, linguistic, ethnic and religious diversity. Most recently, YDF is working with the Ministry of Human Rights, Minority Affairs and Interfaith Harmony on drafting a tolerance strategy for Punjab province and dedicated media campaign to counter discrimination, hate-speech and stigmatization during COVID19.
